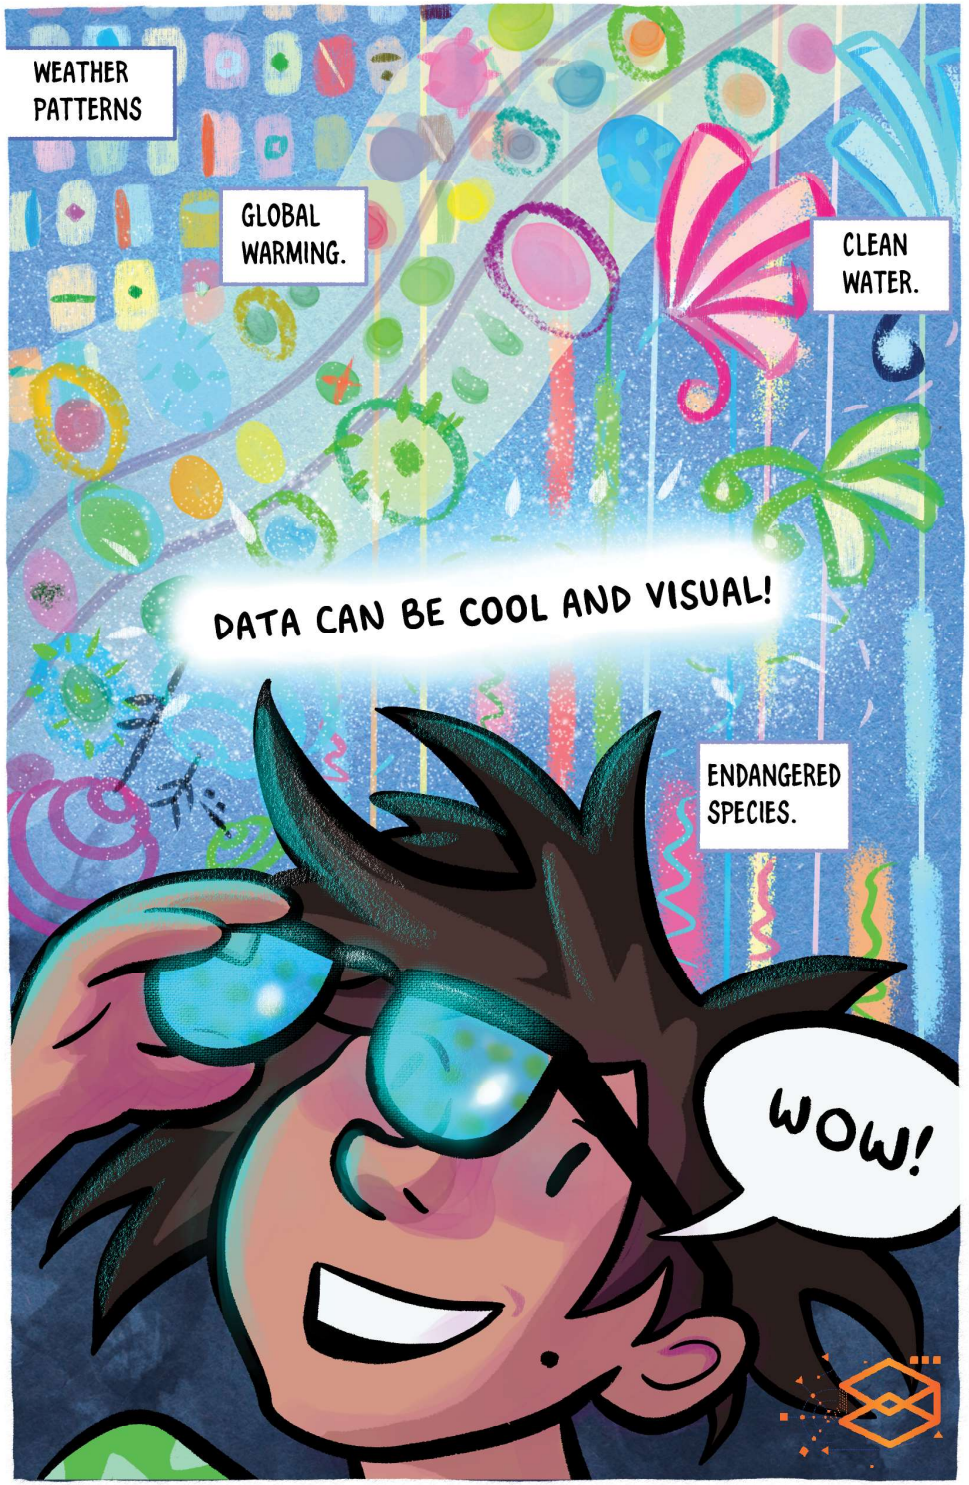
DATA CAN HELP US SEE THINGS WE WOULDN'T HAVE SEEN . . .
THROUGH ANOTHER LENS.

WE LIVE IN A DATA FILLED WORLD.



WEATHER PATTERNS
GLOBAL WARMING.
CLEAN WATER.
DATA CAN BE COOL AND VISUAL!
ENDANGERED SPECIES.
WOW!

DATA CAN BE EMPOWERING –
PROTECT THE ENVIRONMENT!
FEED THE WORLD!
SAVE THE PLANET!

YOU WILL BE MORE POWERFUL IF YOU ARE DATA LITERATE.

WE ARE ALL GIVING AWAY OUR DATA.
